

# SKIN CARE +

Artfully crafted lotions, potions and elixirs reveal beautiful and healthy skin.

## MitoQ Power Antioxidant Rejuvenation (\$185)

MitoQ® contains a breakthrough ingredient that rejuvenates skin cells, restoring collagen and elastin production to youthful levels giving you firmer, brighter, younger looking skin.

Available at [mitoq.com](http://mitoq.com)

## Collin G.M. Phyto Stem Cell + Serum (\$90)

This advanced anti-aging serum harnesses free radicals, brightens the complexion, softens and smoothes the skin's texture. It visibly improves the overall appearance of fine lines and wrinkles, as well as the firmness of the skin.

Available at [gmcollin.com](http://gmcollin.com)

## TNS® Essential Serum (\$260)

This all-in-one skin rejuvenating product improves the appearance of fine lines, wrinkles, skin tone and texture. TNS® is the main ingredient exclusive to this product. TNS® is formulated from naturally occurring growth factors, antioxidants and peptides to boost and rebuild collagen.

Available at [laser-clinique.com](http://laser-clinique.com)

## 24K Nano Night Recovery (\$1,500)

This revolutionary serum is truly ground-breaking with its nano formula to deliver nutrients, essential oils, and 24-karat gold. Use it every day to help continuously improve the appearance of aging and deliver high levels of hydration to the skin.

Available at [orogoldcosmetics.com](http://orogoldcosmetics.com)

## Epiderm Stretch Mark Cream (\$99)

Epiderm Protect was developed by Dr. Sean S. Daneshmand, medical director of Ageless and Beautiful Cosmetic Surgery and Spa. This formula softens, moisturizes and heals the skin, particularly post pregnancy.
