Over 20 years of experience in the premium auto detailing industry.

## VEHICLE PRESERVATION

Don't just detail your car—preserve it. Keep your vehicle show room ready with “Elite” details that work to preserve a car's value, utilizing premium products and procedures that ensure results with each appointment. Enjoy a durable coating that lasts for years, not months without hassle or gimmicks and maintain the beauty of your car for years to come.

## INDUSTRY STANDARD

High-end detailing begins with state-of-the-art facilities and top-of-the-line products and procedures. Don't settle for less when it comes to your car. Elite Finish Detailing offers comprehensive services for a variety of needs. Experienced detailers, knowledgeable staff members and licensed technicians ensure quality that's set the bar above all competitors.

## ECO-FRIENDLY SERVICE

Water preservation is increasingly important throughout California. Elite Finish Detailing is proud to offer certified Eco-Friendly products and services. With less than one pint of water and using only biodegradable chemicals, clients can expect a great detail finish knowing it was obtained responsibly.
